

Convocation

FALL 2024

Messages and Program

Land Acknowledgement

Red River College Polytechnic is committed to ensuring that First Nations, Métis and Inuit knowledge, cultures and traditions are embraced and reflected in the pursuit of its mission.

An acknowledgement of these lands that we are on today, and of RRC Polytech's commitment to Indigenous Peoples and communities, now forms part of the foundational statements that define the College.

RRC Polytech campuses are located on the lands of Anishinaabe, Ininiwak, Anishinew, Dakota, and Dené, and the National Homeland of the Red River Métis.

We recognize and honour Treaty 3 Territory Shoal Lake 40 First Nation, the source of Winnipeg's clean drinking water. In addition, we acknowledge Treaty Territories, which provide us with access to electricity we use in both our personal and professional lives.

We respect the Treaties that were made on these territories, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

RRC Polytech is committed to a renewed relationship and dialogue with Indigenous Peoples based on the principles of mutual trust, respect and reciprocity.

Honour Song

This tradition began centuries ago on Turtle Island. Indigenous Peoples believe the drum and the heart share a similar purpose: to provide life through its beat. This convocation promotes oneness, love and respect for all living things.

The honour song brings voice and calls spirit to celebrate the relationships between all life. Usually sung to honour a particular person, they can also be sung for groups or at sacred gatherings such as sundances, sweat lodges and ceremonies to acknowledge those who have accomplished a great goal.

When the honour song is sung at a gathering, it is considered respectful to stand and remove your hat.

Indigenous Graduation Stoles

Indigenous graduates from RRC Polytech proudly wear School of Indigenous Education graduation stoles with their gowns to recognize their academic achievements. These beautiful stoles are embellished with symbols of the Seven Sacred Teachings, as well as symbols that represent our rich First Nations, Métis and Inuit cultures. You will also see the Assiniboine and Red Rivers represented throughout the design as a nod to the geography and history that have brought Indigenous Peoples to the land that RRC Polytech campuses are located on.

President's Message

Dear graduates,

Congratulations and welcome to a community of distinguished RRC Polytech alumni.

Today is a milestone accomplishment in your story. Your graduation marks the beginning of your future as a changemaker in Manitoba's workforce. You've shown that you have what it takes to adapt and thrive in our ever-evolving industries, to think differently and to disrupt the status quo.

Your new credentials will open doors for you, but it's your personal drive and determination that will set you apart in this competitive world. You've worked hard, and the day is finally here that you get to celebrate your graduation.

Be proud of all you've accomplished to get to this point and get excited about the opportunities yet to come. You've acquired skills and knowledge in your pursuit of learning, and now you get to show what you're capable of. Your hard work and dedication have not gone unnoticed - you've proven yourself time and time again in your studies and you are ready to take on real-world challenges in the workplace.

As the workforce continues to evolve, have confidence in knowing that you will grow with it, and that you will find ways to make it better. A bright future lies ahead of you, and I can't wait to see what you do next.

As you close this chapter, remember to continue learning. Today you leave us positioned to excel in your career knowing you have a strong foundation, but personal improvement is a lifelong journey. I hope you remember your experiences at RRC Polytech fondly and think of us as you continue increasing and expanding your skillsets. We're here to support you as you pursue new goals at any point throughout your career.

Your time at RRC Polytech has equipped you to take on challenges and become a leader in your community. You are now an alumni of Manitoba's only polytechnic - and that means future generations will look to you as a guidepost and an example of what they too can achieve one day. We look forward to working with you in the future to help ensure our programs continue to support the needs of industries you are now a part of, and to provide all students an equitable chance at success.

As your time as a student comes to an end and you move forward in your career, you now join the ranks of our incredible alumni community - almost 100,000 strong - who are achieving great things, and I can say with great confidence, I know you will too.

Congratulations!

Fred Meier
President and CEO

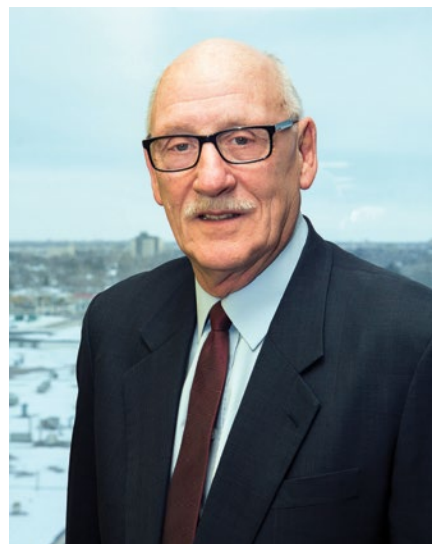

Board of Governors' Message

Dear graduates,

It is my honour to congratulate each of you on behalf of RRC Polytech's Board of Governors. You are on your way to becoming leaders and change-makers in your industries and we are proud to mark this day with you.

You have accomplished so much in your journey to graduation, and I hope you take the time to remember your hard-earned wins, and celebrate your grit, determination and desire to make a positive impact.

Today you are welcomed to an esteemed group of RRC alumni. Those who have walked these halls before you are ready to welcome you into their ranks and I know you'll continue to impress and represent all that RRC Polytech stands for in your future successes.

A handwritten signature in black ink, appearing to read 'Lloyd Schreyer'.

Awards and Medals

Lieutenant Governor's Medals

A maximum of four medals are awarded annually to graduates from Red River College Polytechnic who, in the opinion of the selection committee, demonstrate exceptional academic and technical achievement, volunteer service to the College, community, organizations and individuals, and good character. Selection is made by a committee that includes representation from the student body, faculty and administration.

Recipient of the Lieutenant Governor's Medal

Yi Gu - Applied Accounting (Certificate)

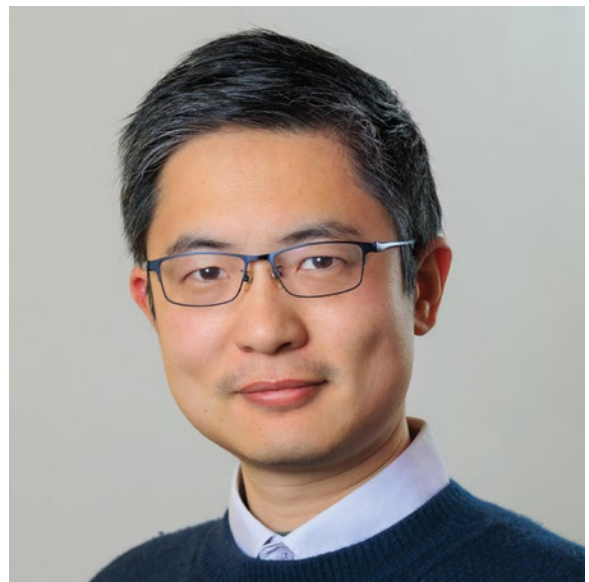

Yi Gu is a graduate of the Applied Accounting program. He came to Manitoba in the summer of 2023 and started his studies at RRC Polytech shortly after.

In class, Yi often took the role of leader and engaged actively with instructors and fellow students, and regularly took part in various school events. At one such event, Yi made a connection that got him a job in his field of study. With an overall 4.47 GPA, Yi has shown his ability to achieve excellence while keeping connection with peers and mentors top of mind.

Yi is an active member of the community and spends his time volunteering. His medical background lends itself well to the healthcare environment, and he has spent many hours at St. Boniface Hospital as an emergency ambassador. In this role he provides compassion and assistance to patients and families in the emergency room. His efforts do not go unnoticed, often gaining "thanks" from those he helps. Something he says is a big motivator to continue going back.

As a newcomer to Canada, Yi understands the feelings of uncertainty and loneliness as well as language barriers that many people face when they first come to Canada. By volunteering his time at the Shanghai Association of Manitoba, he helps support others as they navigate making a home in a new country, as he and his family did last year.

Yi is selfless in his commitment to supporting others, while never faltering in his own determination to achieve great things.

Gold Medals

Fall 2024 Gold Medals

RRC Polytech Gold Medals recognize graduates in diploma and degree programs who attain the highest cumulative program grade point average at or above 3.80. Each program selects and awards one gold medal for each academic year. The gold medallist may complete their program and convocate in either the fall or spring convocation ceremony.

Program Name	Recipient Name
Automotive Technician.....	Janam Vinaykumar Prajapati
Business Accountancy.....	Richie Potazo Ladrera
Business Information Technology.....	Obafunsho Adekemi Adelusi
Business Information Technology.....	Khoi Nguyen Dong
Business Information Technology.....	Daniel Cameron Martens
IT Operations	Nguyen Quoc An Do
IT Operations	Olasubomi Hassanah Kaka
IT Operations	Yue Li
Early Childhood Education	Cong An
Early Childhood Education	Quinn Carberry
Early Childhood Education	Kyla Mariette Hayes
Hospitality and Tourism Management (Tourism).....	Chee Chun Chris Tse
Science Laboratory Technology (Cell and Microbiology).....	Wilson Victor Akpan
Science Laboratory Technology (Cell and Microbiology).....	Dave Lawrence Conag Ramos
Science Laboratory Technology (Chemistry and Quality Analyst).....	Shihari M. K. Hathurusinghelage
Veterinary Technology	Nicol Jiana Siemens Harder
Full Stack Web Development.....	Francisco Javier Mancilla Rojas
Full Stack Web Development.....	Anmol Sharma
Full Stack Web Development.....	Qiang Yao
Full Stack Web Development.....	Daniel Zhu

Congratulations

TO ALL OUR
2024 GRADUATES!
